

## DEVELOP OUTSTANDING LEADERS

# EXECUTIVE TEAM 360

Real World Group's Executive Team 360 provides true multi-source feedback for assessing and developing your Executive Team as a collective.

Given how strongly Executive Teams influence the leadership culture of their organisation, it is essential they reflect on their collective:

Engaging Leadership behaviours

Essential Governance competencies

High-performing Team behaviours

## Benefits of using the Executive Team 360

Provides feedback for the whole team, not individuals

Enables an engaged, motivated & committed culture

Positively influences well being & reduces work-related stress

Enhances leadership that impacts the bottom line

**The Executive Team is also provided with feedback about their impact on:**

**Senior Managers**

**Other Stakeholders**

**The Executive Team 360 is available in these sector-specific versions**

Public/Third Sector

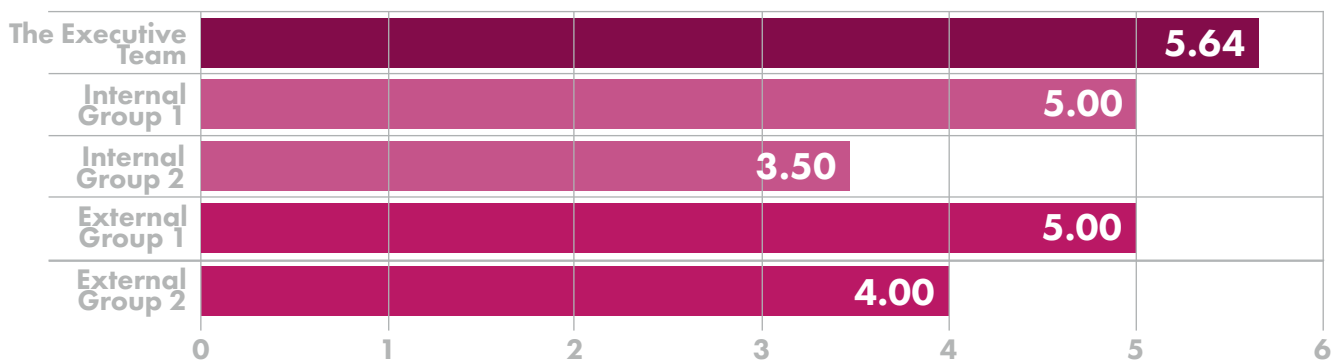

Private Sector

### Example Executive Team 360 graph

**Engaging as an Effective Team** - Are effective in turning ideas into action for the achievement of goals and objectives.
