Develop Outstanding Boards

Board Leadership & Governance 360

Real World Group's Board Leadership & Governance 360 provides true multi-source feedback for increasing the effectiveness of your Board.

It assesses critical dimensions of collective Board activity and behaviour that ensure they are demonstrating:

Engaging Leadership behaviours

Essential Governance competencies

High-performing Team behaviours

Benefits of using the Board Leadership & Governance 360

Provides feedback for the whole Board, not individuals

Enables an engaged, motivated & committed culture

Positively influences well being & reduces work-related stress

Enhances leadership that impacts the bottom line

The Board is also provided with feedback about their impact on:

Board Members & Senior Managers

External Stakeholders

The Board Leadership & Governance 360 is available in these sector-specific versions

Healthcare

Public/Third Sector

Private Sector

Example Board Leadership & Governance 360 graph

Constructive Challenge - Are willing to modify thier ideas after listening to others' point of view
