

DEVELOP OUTSTANDING LEADERS TLQ 360

Real World Group's Transformational Leadership Questionnaire (TLQ) is one of the **world's most researched and trusted leadership assessments**.

In a transformed and uncertain world the leadership behaviours assessed by the TLQ are key to readiness for change, innovation, successful virtual teams and dealing with uncertainty. **They have never been more critical than they are now.**

Extensive research and practical application worldwide show that the leadership behaviours assessed by the TLQ

Have a direct, causal impact on productivity

Enable teams to cope better with turbulence & change

Increase output, even with fewer resources

Reduce job-related stress & enhance wellbeing

Are essential for effective virtual teams

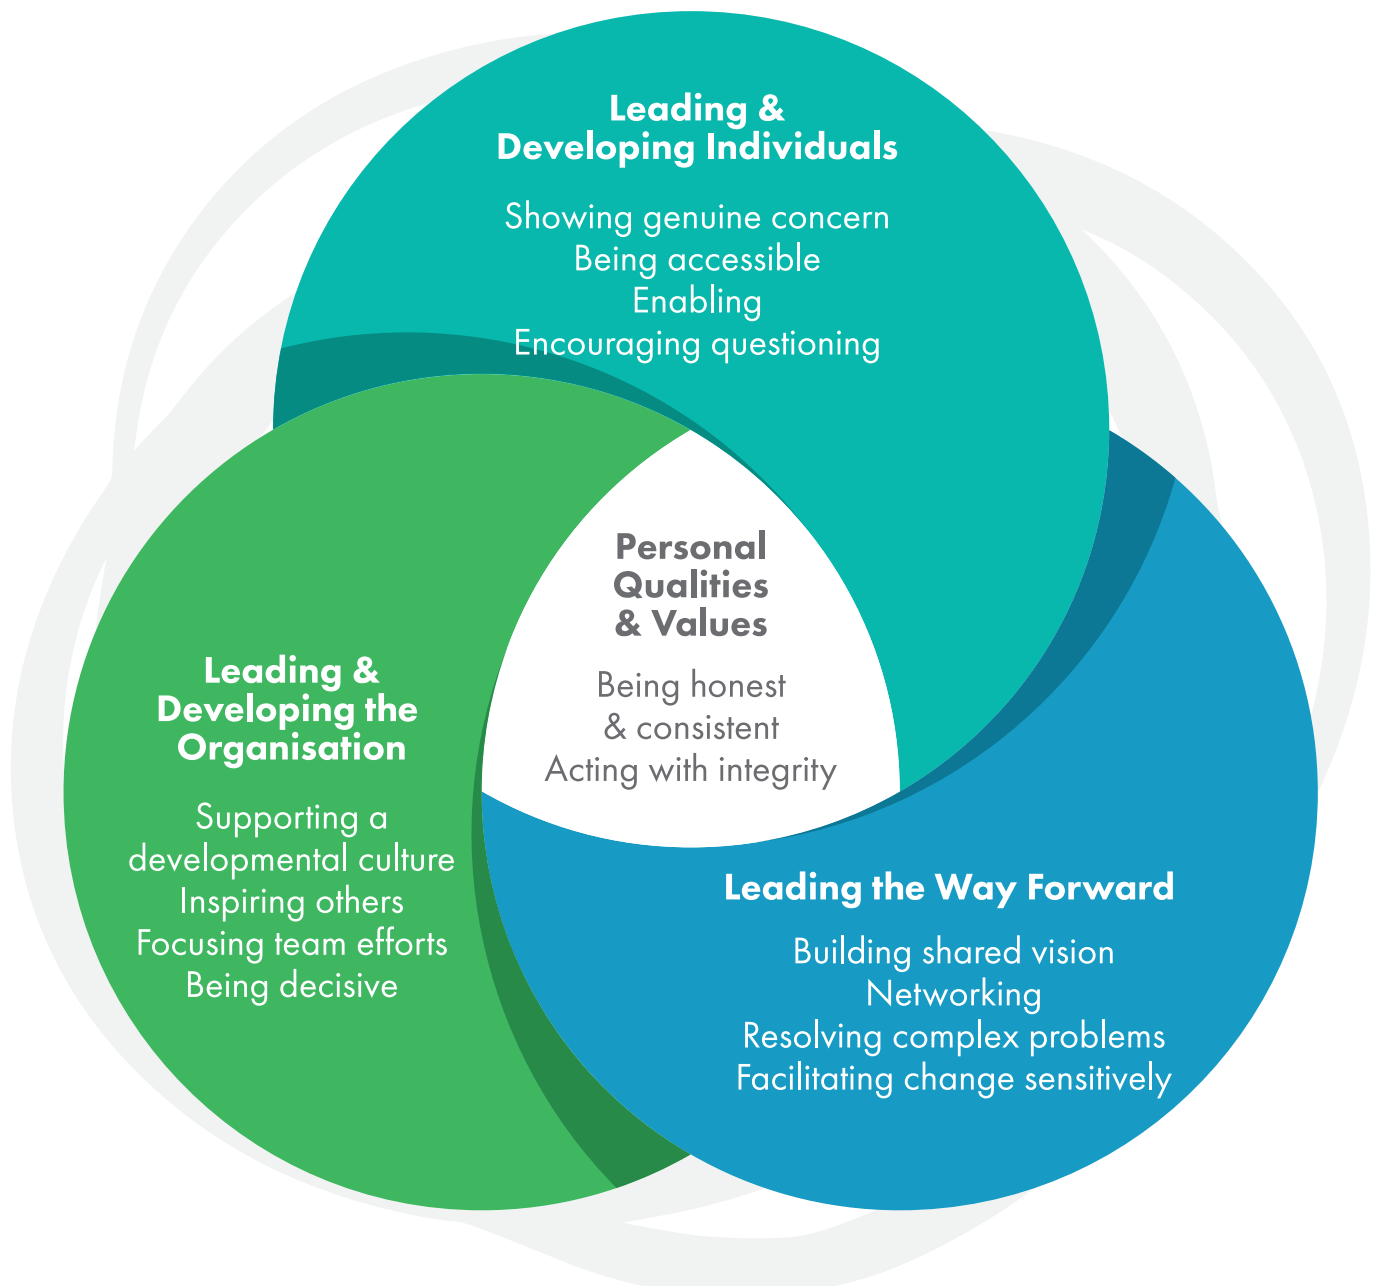

Are inclusive & non-biased leadership behaviours

The TLQ is also available for leaders who have one or no Direct Reports – the Non Line Manager version.

This tool enables these types of leader to gather powerful feedback about how positively and effectively they influence and impact upon colleagues and key stakeholders.
